You'll be transferred to board your ship and comfortably settle into your cabins. We'll start sailing across the lake. Reaching over 140mi/200km in length and spanning a distance of approximately 25mi/40km at its widest point, the lake flooded flatlands, hills and forests alike, creating unique and emblematic landscapes. Gliding along their meanders, large bends and small, unspoiled inlets, you'll be amazed by the magical atmosphere all around. We'll return on board for lunch. This afternoon, we'll sail towards Palm Bay. When the sun starts to set, we'll set out on a small private boat to admire the changing colors of the sky. We'll have dinner and spend the night on board.

Day 11 - Wednesday, Sept 17: SHIP: LAKE KARIBA - MATUSADONA NATIONAL PARK (Zimbabwe)

We'll journey out this morning on a safari to discover the area around Matusadona National Park. Bordered by the Sanyati and Ume Rivers, this 1,400km²/540 sq mi-large untouched area is home to numerous animal species such as elephants, hippos, crocodiles, buffalos as well as thousands of birds, among which the legendary African Sea Eagle, the majestic Yellow-billed Stork, or the Black Heron with its interesting hunting method. We might be lucky enough to cross paths with a big cat or two! The history of the park is closely linked with that of the lake: during the construction of the dam, the rising floodwaters affected the native wildlife although the damage was mitigated by Operation Noah, an initiative which saved the lives of over 6,000 animals. This rescue operation allowed for large mammals, big cats, impalas and more to be moved to Matusadona where hunting is strictly prohibited. We'll enjoy lunch on board and start sailing again. During this time, a round table will be the opportunity to learn more about the creation of the Lake, its inhabitants as well as its ecosystem. We'll have dinner and spend the night on board.

Day 12 - Thursday, Sept 18: SHIP: KARIBA - Victoria Falls (Zimbabwe)

At sunrise, we'll set sail towards Kariba to disembark and journey out to the airport. We'll discover the gigantic Kariba Dam which was created in 1955 to form Lake Kariba. Today, the dam serves as a source of electric power for 70% of Zimbabwe. You'll get to discover the history and legends surrounding the creation of the lake, including the tale of NyamiNyami, the river god. We'll fly out to Victoria Falls on board private planes. Enjoy an exceptional lunch cruise on the Zambezi River, upstream from the falls. This afternoon, we'll leave for a tour on foot of the falls where the views are among the most exceptional in the world. We'll

also see where the Zambezi River plunges over the cliff to become the widest waterfall in the world, creating the “smoke that thunders.” Tonight, enjoy dinner and spend the night at a four-star hotel LS.
